General Manager's Foreword

As we bid goodbye to the holy month of Ramadhan, our team of dedicated chefs has whipped up a new collection of enticing recipes to welcome the month of July & August and leaving your palette with an experience you won't find elsewhere.

Our ever popular International Dinner Buffet from Kitchen Art Brasserie is back with a twist with a zest of Balinese infused menu. We also celebrate the up and coming National day in our Hi Tea Buffet with the Muhibbah theme. Our Executive Chef Zuraidi created the menu from local favourites based on multiple ethnic races in Malaysia, a must try not to be missed which he termed it "The Harmony".

Once again, Empire Hotel Subang is thrilled to present and celebrate the Annual Mid Autumn Festival with 8 eclectic selections of baked Mooncakes and 4 types of fruity and red dates infused snow skin mooncakes. Our elegantly designed mooncake boxes is a must have limited collector items.

For those with insatiable sweet tooth, forget about your calories, we offer two selections of cheesecakes, Lemon White chocolate cheese cake and Tropical Bliss cheesecake which will leave you craving for more. If you feel guilty from over-indulging our cheesecakes, hop into our Di Wei Chinese Restaurant with our 3rd series of health food 3.0 on our new vegetarian menu.

Seize the opportunity to dine with us with savings on the last two months of Zero rated GST. The management welcomes you to savour our latest delicacies and enjoy the pleasant dining experience with your friends and family.

Kitchen Art Brasserie presents the Balinese Special Menu where one can enjoy the taste of Bali style servings and a wide variety choices to dine at our International Dinner Buffet.

Balinese Satay

Ginger marinated minced chicken wrapped on a Serai stick and cooked on high flame to bring out the fresh flavours of Bali.

Balinese Short Rib

Fall-of-the-bone tender ribs, with flavours of sweet, spicy and a hint of soy sauce resulting from hours of slow-cooking in the oven.

Chef Rose and Chef Ikmal brings you their new creations, the tangy rich Lemon White Chocolate Cheesecake and a fruity Tropical Bliss Cheesecake for those who want to end their meal on a sweet note.

Tropical Bliss Cheesecake
The moist and dense yet creamy cheesecake is filled with mango puree in its centre and based on a bed of crispy rice and topped with a pineapple puree glaze for that perfect finishing touch.

Lemon White Chocolate Cheesecake
The taste of zesty lemon blended with smooth white chocolate creates a citrusy, milky sensation which is balanced with the roasted ground almonds as its base. It is indeed a match made in dessert heaven.
